

Please note that this letter is just an example of the letter of commitment, support and financial commitment given by the Partner organization abroad which engages the main applicant/co-applicant. (Please note that in this particular example (project), the minimum of 5% of the grant amount which is required to be in form of financial contribution (cash) -- is already covered by the Administering organization).

The essential information that all 'Letters of commitment' and 'Letters of financial commitment' must include are stated in detail in the Call, 6. Eligibility criteria

RE: UKF 1B Crossing Borders.....

LETTER OF COMMITMENT AND FINANCIAL GUARANTEE

To Whom It May Concern:

YYYY is pleased to express the support of the UKF funding Crossing Broders Grant 1B entitled "xxxxxxxxxx" by main applicant – project leader Xx/Yy and co-applicant Xx/Yy and we confirm that we fully agree that our professor Xx/Yy commits his/her working time to actively support the project proposed, as stated in the project proposal. We therefore guarantee that he/she will be engaged on the proposed project for the whole duration of the project.

For the duration of the grant and the planned visit of doctoral students /Croatian partners the YYYY will provide all necessary premises such as facilities, access to laboratory and laboratories staff and the necessary equipment for the research project.

This support is substantiated by the financial support to the proposed project.

YYYY will support professor Xx/Yy laboratory in providing her state-of-the-art imaging equipment and novel transgenic mouse models for research training, matching the project with the equivalent of the 262 500 HRK (34 090 EUR), e.g. 131 250 HRK (17 045 EUR) per annum, which corresponds to the 17,5 % of the requested grant money from UKF.

The 2,5% of the matching support will be given as financial contribution (i.e. total of equivalent of 37 500 HRK (4 870 EUR)), which would be spent for the necessary consumables for the experiments performed by Croatian visitors in the laboratory of prof Xx/Yy. The rest of the matching funding of 15%, which is total of equivalent of 225 000 HRK (29 220 EUR) will be provided as in-kind contribution and which corresponds to the costs of use of imaging equipment facilities (xxx), costs of transgenic animals, technical assistance and travel and stay of Canadian partners in Croatia.

Sincerely,
